Homecoming

Homecoming King and Queen, Earl Barnes and Lynda Zagara.

Homecoming

This year's homecoming, "LFC's Big Adventure", was kicked off Thursday night with a faculty talent show and a Pee Wee Herman look-a-like contest. The show was emceed by Edward Jackman. The audience enjoyed performances by many talented faculty members. Friday evening comedian Jay Leno made his second visit to LFC, and performed for an enthusiastic crowd. The festivities continued Saturday with the football team's win over Ripon College. In keeping with the winning spirit, the volleyball, soccer, and field hockey teams were also victorious. The highlight of the weekend was the semi-formal dance held at the Hotel Moraine, with music provided by "Kicks". Overall, the efforts of the Homecoming Committee, chaired by Julie Abel, resulted in an enjoyable weekend for all.

Convocation

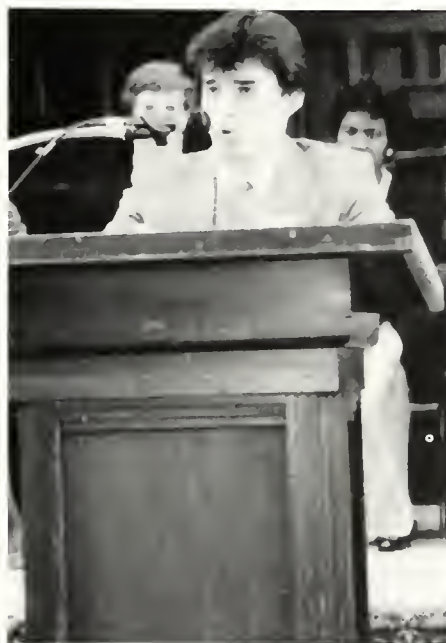

The 1985-86 Convocation Series provided a diverse selection of speakers addressing current and controversial issues, in addition to maintaining close academic correspondences. High attendance indicated an increased awareness and interest in the weekly Series.

The speaker at the opening Fall Convocation was Mike McCaskey, President of the Chicago Bears. Sex therapist Phyllis Levy, host of "Sex Talk," made a return appearance speaking to a large audience packed in to the Chapel. In conjunction with LFC's recently formed S.A.D.D. chapter, a special evening convocation was presented by Candy Lightner, founder of M.A.D.D. A most informative and interesting speaker, Phyllis Pitluga, Senior Astronomer from the Adler Planetarium, provided the audience with instructions for catching a "once-in-a-lifetime" glimpse of Halley's Comet. Academically, our fall calendar was highlighted by Irwin Weil, Professor of Slavic Languages at Northwestern University.

Academics and co-curricular activities were even further emphasized in the spring semester, commencing with a presentation by Franz Schulze, the Betty Jane Hollender Professor of Art at LFC. "Student Power in a Nuclear World" was the title of a special convocation conducted by selected LFC students and coordinated by Ron Miller, lecturer in Religion. Adding variety to the traditional calendar was a musical presentation by "Partitura," of which Abba Lessing, Associate Professor of Philosophy is a member. Music, or more specifically jazz, was also provided by Art Hodes, Chicago piano legend, in his return appearance to LFC. On a much broader level, and addressing an international condition felt strongly at LFC, Franklin Williams, President of the Phelps-Stokes Fund and Woodrow Wilson Visiting Fellow, delivered a talk on "American Policy in South Africa."

We hope, next year, to maintain the higher standards that the Convocation Series has achieved this year.

Ubu Roi

The Garrick Players' fall production this year was Alfred Jarry's *Ubu Roi*. A political farce set in a mythical Poland, the play explored the unhindered fantasies of King Ubu on his quest for power. The broad and imaginative staging allowed the cast to play out revenge, war and greed with childlike intensity, creating a poignant statement within an enjoyable evening of theatre.

Cabaret

The Lake Forest College Choir opened its season with the annual Cabaret. In addition to the choir's production numbers, solos and ensembles were performed by various vocalists. The Broadway flavor and casual atmosphere made Cabaret an enjoyable program as a participant or as a member of the audience.

Advent Concert

This year the Choir related its annual Christmas greetings through an Advent Concert. In addition to the Choir, the Madrigal Singers and Wind Ensemble also performed. Seasonal favorites were heard, such as selections from Britten's "A Ceremony of Carols" and "The Hallelujah Chorus" from Handel's Messiah. A guest harpist, as well as solo and ensemble performances by Choir members, contributed to the holiday spirit. The singing of "Silent Night" by candle-light ended the seasonal celebration of peace and joy.

Intramurals

There's a sport for almost everyone at LFC, and you don't have to be a superstar to participate. Intramural sports provide an opportunity for non-varsity athletes to play football, hockey, basketball and softball. For some students IM sports provide a chance to get some exercise, meet new people and experience the thrill of victory and the agony of da-feet!!

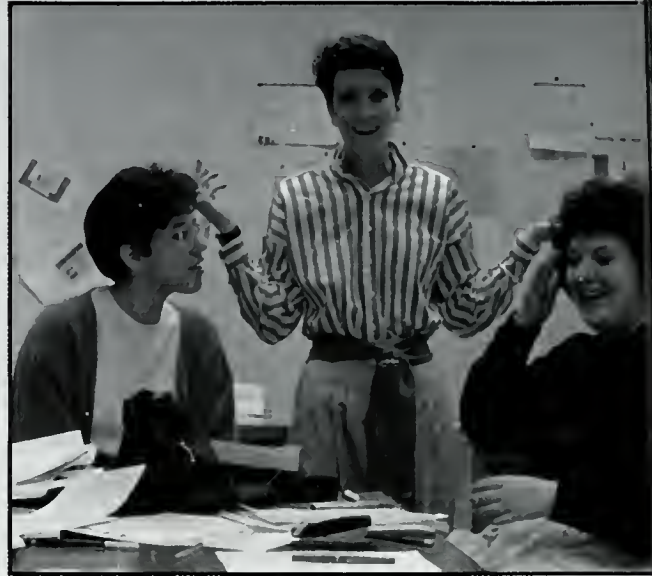

Campus Activities

Students had plenty of opportunities to be entertained on weekends thanks to the efforts of the Campus Entertainment Committee, Film Group, and the Purpose Units. From lounge parties, to current movies, to dance bands and comedians, the campus never rested. Special theme weekends and events kept students dancing no matter what the season.

Community Education

Student Government

Made up of representatives from all the dormitories as well as the off-campus student body, the General Assembly of Student Government acted weekly on all issues concerning the students of LFC. The 1985 General Assembly, under the leadership of President Tedd Termunde, Vice President Beth Fisher and Treasurer Jodi Wixted, dealt with concerns as housing, budgeting of student activity fees, campus activities, as well as the sponsoring of educational and social programs. The 1986 administration, including President Gerry Sullivan, Vice President Mark Mobly and Treasurer Lexie Rosenthal took over these duties in January.

Alpha Chi

Alpha Chi is a local fraternity which was formed in 1983. Its primary goals and philosophy are based on academic excellence and the betterment of the college and community as a whole. Alpha Chi works in cooperation with other established purpose units and independent students to enhance the social life of LFC, and to encourage leadership and participation. Events of the 1985-1986 academic year included the Submarine Welcome Party, Toga Party, Christmas Party, Alpine Weekend, Florida Raffle-Off, and volunteer work for the American Cancer Society, a soup kitchen, and the Lake Bluff Haunted House. Membership is based on potential leadership qualities, academic excellence, and participation in college activities and athletics. All interested individuals (new and returning students) are encouraged to contact members at the third floor annex of Harlan. This years officers were Martin McCann, Dean Rivas and Mark Aldendifer.

Alpha Pi Delta

The sorority of Alpha Pi Delta serves both social and philanthropic purposes. The members are interested in devising social activities for themselves and for their fellow college students. Numerous theme parties were sponsored throughout the year. Alpha Pi Delta also seeks to participate in service projects which benefit the community at large. Membership is based upon leadership, scholarship, overall participation in LFC activities, and willingness to work toward their common goal.

Ambassadors

The Ambassadors is a diversified group of Lake Forest students who serve as campus tour guides for prospective LFC-ers. Each member is selected out of a large number of applicants. The group consists of approximately 40 students who are responsible for giving tours of the campus, hosting the Fall and Spring Open Houses and accomodating overnight visits for interested students. Anyone who enjoys Lake Forest College and his or her experience here is encouraged to stop by the Admissions Office for more information about the organization.

American Marketing Association

The American Marketing Association is a national organization, with LFC's chapter in its third year of existence. With its affiliation to the national membership, the AMA learns about various activities hosted by the professional chapter, in addition to sponsoring its own programs. Through providing speakers and other events, the AMA promotes awareness of the career opportunities in the business field, with a concentration in marketing.

Amnesty International

Amnesty International is a world-wide organization dedicated to fighting human rights abuses. The Lake Forest chapter continues to work for a prisoner of conscience in the Soviet Union and has now adopted a prisoner in South Africa. During the summer of 1985, a Rwandan prisoner who the chapter had been working for was released.

Association for Computing Machinery

The Association for Computing Machinery is an organization of professionals, educators and students concerned with all aspects of computers. The Lake Forest College chapter of the ACM is part of a national network of news and information on current events and practices in the field of computing. The group invites lecturers from all over the world to speak on their particular fields of interest. Representatives competed in an ACM Regional Computing Contest, in which the LFC team placed second for the past two years.

Black United and Concerned Students

Black United and Concerned Students is designed to provide a support group in the LFC community specifically aimed at the needs and values of black students. Its main goals are to become more aware of the roles in society as blacks and to educate the community through group sponsored activities and overall involvement on campus.

Beta Triton

Beta Triton serves as a satisfying organization for its members and affiliates while providing the college with numerous social and community functions. In an effort to help maintain a healthy social environment for the college, BT annually holds its Student-Faculty Cocktail Party, the Homecoming half-time party, the PHDP and Betagras mega-parties, and the Closing of the Gin and Tonic Season Party, along with many other events during the year. In addition, BT organizes the Student Government debates each year, and actively participates in several other on-campus functions while also doing community services throughout the school year. This united involvement plus each member's individual pursuits and commitment to the LFC academic challenge reflects the true spirit of the liberally educated student. Maintaining this traditional spirit will continue to be the primary concern of the Beta Triton fraternity. The officers this year were Jim Pettit, President; Ken Robinson, Vice-President; and Kip Koslow, Treasurer.

Brotherhood

The Brotherhood is a purpose unit which brings many different backgrounds and personalities together into one cohesive group. It provides a social outlet for students as well as service to the community. In addition to the annual Casino Night that helps a worthy cause or charity, the Brotherhood hosts a number of theme parties throughout the year. The Brotherhood strives for excellence in academics and athletics, and is proud to be part of the Lake Forest College community.

Campus Entertainment Committee

From video dances, to comedians and other programs, the Campus Entertainment Committee once again was successful in presenting to LFC a variety of special events. In addition to live performances by Otis Clay, Jay Leno and Chris Bliss, the group also organized theme weekends. Providing an endless number of activities, the Campus Entertainment Committee worked to ensure students enjoyment outside the classrooms.

Convocation Committee

The 1985-86 Convocation Committee, comprised of students and faculty members, presented speakers who focused on a variety of disciplines and interests. In addition to such notable figures as M.A.D.D. founder Candy Lightner, sex therapist Phyllis Levy and Buddy Ryan of the Chicago Bears, the Convocation Committee organized educational entertainment valuable to the entire campus.

Film Group

During the 1985-86 year, the Film Group continued to grow even stronger. Not only did the organization increase in number, but it grew in faculty and student participation as well. The selection of films for the year once again proved that the film Group was aiming for a quality schedule.

French Club

The French Club continued to spread awareness of French culture and language. The intent of the organization remains to prepare students for the Paris internship program. The club does this by offering informal talks by both professors and students returning from studying abroad. Members of the club are involved in such activities as the Mardi Gras masked ball, a wine and cheese party, an international film festival, and visits to French restaurants.

Forester

The Forester Yearbook is put out annually by a small group of students who have a sincere desire to recreate all the excitement of a school year in less than 300 pages of words and pictures. It is not an easy task. Photographers have to go to events that they'd avoid like the plague if it weren't for the yearbook, and layout and copy people spend many long hours trying to be witty and creative. If it sounds like a drudge, it's not. It's just a challenge that is rewarded in the spring when we are able to see the final product of our efforts.

Frisbee Club

The Frisbee Club, or better known as "The Bat Patrol", is a new organization open to anyone interested in frisbee disc games. The activities include competitions against other schools in "ultimate" tournaments, as well as plans for a "disk golf course" for the campus. Offering a relaxing exercise away from the burdens of academia, the group encourages students to join the fun.

Gamma Rho Delta is a purpose unit which provides a social outlet for women on the campus. Taking pride in its diverse membership, many members and social affiliates are actively involved in various groups, committees and athletic teams. The social focus of the sorority is to enhance the social life of the college by providing open parties throughout the year. In addition to social activities, Gamma Rho Delta engages in a number of projects which support various worthwhile activities in the community. These services include the blood drive, selling caramel apples during Halloween, flowers for Valentine's Day, participation in a clothes drive for St. Mary's in Chicago, and having fundraising parties for their sponsored child Santos and his family in South America. Gamma Rho Delta also has theme parties, some open, some closed, including the Big Band party, New Year's party, Boxer party and the Christmas party. The members meet frequently to discuss campus policies and issues.

Gamma Rho Delta

Garrick Board

Garrick is an organization of extreme intensity. The hours, the fun, and the tears that it takes to create a show seem endless. But, when you view the final production, it makes all the hours worth it. It is an organization on campus where people can come let their creativity flow and have the opportunity to put it to use. Garrick lends itself to all people from all walks of life — it's all waiting to be explored.

German Club

Der Seewald Deutschklub, or the LFC German Club, spreads the awareness of German culture throughout the campus and created a sense of interaction amongst students and faculty during the Oktoberfest and the International Candy Sale. Club members are able to improve their knowledge of the German language by attending a weekly "German Table". This year the German Club, along with the French Club and the Spanish Club, organized and sponsored a Foreign Film Festival. Members attended events to improve their understanding of German culture.

House of Soul

The House of Soul serves as a place where Black students can live with people who share common interests and problems associated with being a minority without conforming to the majority. This purpose unit also adds diversity to the LFC community, providing a glimpse to what Black Culture is all about.

Interfaith Center

The 1985-86 school year was a busy and successful one for the Interfaith Center. Our weekly events such as Thank God It's Monday, Wednesday Night Meditation, Morning Meditation, Evangelical Christian Fellowship and Sabbath Celebration were all well supported. The Interfaith Center also sponsored such special events as a hayride, retreats, fireside forums, a Passover Seder and a celebration of Buddha's Birthday. Associated with the Interfaith Center is the peace and justice group REACT which works on projects of universal concern such as OXFAM Fast For A World Harvest and the nuclear freeze.

Internat

Internat is dedicated to furthering intercultural understanding within the college community. Through speakers, films, cultural outings and social functions, this purpose unit provided opportunities for exposure to various cultures. Members of internat encourage an international outlook on political, social, and cultural affairs. This year Internat has sponsored such events as the Mexican Earthquake Relief Fund, the International Poetry Reading, and the Mojekwu Fund for Intercultural Understanding. In conjunction with the Foreign Language Department and the Spanish Club, Internat also sponsored the Spring Latin American Festival.

Outing Club

The Outing Club has been a long standing organization at Lake Forest College. Our main objective is to introduce members to new outdoor experiences such as climbing, cross country skiing, or hiking. This year the trips sponsored by the group were usually over weekends, which made for a great escape from the realities of college life.

Phi Pi Epsilon

The Phi Pi Epsilon Fraternity of Lake Forest College is rich in heritage and pride. Established in 1895, Phi Pi Epsilon is the oldest local independent fraternity in the United States.

Based upon the premise of brotherhood, community service, academic excellence and social development, the purpose unit stands as a pillar of leadership in the Lake Forest College community. Whether sponsoring the annual Orphans' Halloween Party or collecting canned goods so that those less fortunate may enjoy a Thanksgiving dinner, Phi Pi Epsilon remains a vital and integral element of Lake Forest College.

Feel free to visit Bradley Lodge and experience our traditional motto of PROUD TO BE A PHI PI.

Peer Counselors

The Lake Forest College Peer Counselors are a small but quite effective group of students who are willing to help others with any difficulties they may be having with drug or alcohol use. The members gladly donate their time and energy to help get the message to the student body that "moderation is best". In addition to individual counseling, the Peer Counselors sponsor alcohol-free social events such as alcohol awareness week and activities during Spring Weekend.

Pi Mu Delta

This year marked the premiere of Pi Mu Delta, and one which all of its members will remember with admiration. Beginning with the Science Picnic in the Fall, Pi Mu Delta was determined to add a new dimension to the campus. In addition, this purpose unit of pre-health career students devised the Play-A-Month Club which sponsored several blood drives, a CPR clinic, organized the Health Fair, opened the Club Med for study purposes on South Campus, and raised money for the Mexican Relief Fund. Most of all, Pi Mu Delta established itself as a viable campus organization with committed members dedicated to the causes of human life, peace, and preservation.

Racquetball Club

The Racquetball Club is just one of the various club sports on campus designed to draw participation from freshmen to seniors with an equal play opportunity. Workshops and tournaments are sponsored throughout the year, including the Cancer Tournament which raises money for the fight against cancer. The club welcomes all students, and currently sees participation from various faculty members. The number of students enrolled in the group was high this year, and they were proud to report large turn-outs for specific tournaments.

Running Club

Since the Running Club is primarily a social group, its activities center around the weekly group "fun runs", and low-key competitive events such as the annual college triathlon, the fall predictor race in which the winner is the runner closest to his/her predicted time of finish, and the Spring fun-run/spaghetti dinner. There are, however, outlets for the more serious runner — the Libertyville Corporate Cup 5K Championship, the Lake County Marathon/Half Marathon, and numerous Chicago area races.

Sisterhood

Sisterhood is an organization of women of different origins, and is geared toward defining their roles as women at Lake Forest College, as well as culture and the greater society. Sisterhood sponsored a Fashion Show which raised money for World Vision. In addition to sponsoring speakers who focus on the different concerns of women, the group also seeks to support other campus organizations' ideologies and programs. Sisterhood is open to all women.

Social Services Organization

The Social Services Organization provides students with many opportunities for community service through volunteer work. Members can work with handicapped children at the Grove School, supervise recreational activities at a local nursing home, serve at soup lines in Chicago, or tutor minority students. Other activities include working with troubled teens through Omni House as well as the Big Brother / Big Sister program. The Social Services Organization is open to all persons who are interested in volunteer work regardless of major or career orientation.

Society of Physics Students

The Lake Forest College chapter of the Society of Physics Students is part of a national affiliate organization to the American Institute of Physics. As such, it aims to bring news of development in physics and astronomy to interested members of the campus community.

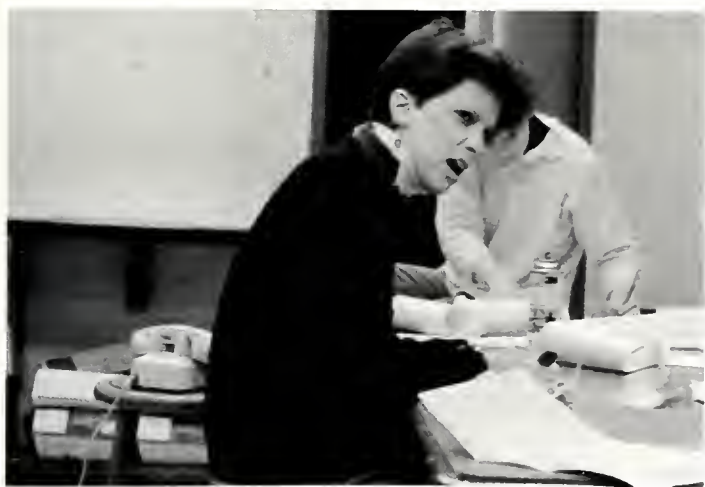

Spanish Club

Promoting the interests of the Spanish language as well as discussing Hispanic culture and issues proved to be the main goals of the Spanish Club. The group held a weekly Spanish Table during lunch where faculty, staff and students participated in discussions relating to the politics, economics and culture of many different Hispanic groups.

One of the club's most important projects was the co-sponsoring of a Bolivian child, Santos Garcia, with the Gamma Rho Delta purpose unit. Another highlight was the Latin American Festival, a celebration of Latin American culture and history, which featured a number of speakers and lecturers. In addition, several outings to Chicago featured the music, dance and food of Hispanic traditions.

Stentor

The *Stentor*, Lake Forest College's newspaper, has been published on a regular weekly or bi-weekly basis since 1886. The newspaper covers campus events, provides editorial opinions and offers a means of expression for the students and faculty. The process of publishing the paper is undertaken by students from assigning the articles to typesetting the copy. The *Stentor* organization accepts anyone willing to put time into producing a weekly publication.

Student Affiliates of the American Chemical Society

The Student Affiliates of the American Chemical Society is an organization which sponsors activities designed to promote a greater understanding and appreciation of chemistry. In addition to research-oriented lectures by invited chemists, SAACS sponsors such activities as the science picnic, the annual winter holiday lecture which demonstrates the excitement and fun of chemistry, as well as maintaining a coffee, tea and cocoa service for all students and faculty in Johnson Science Center. In the Spring a student symposium is offered which not only provides students with an opportunity to present their independent research, but also serves to inform and inspire other students to participate in chemistry.

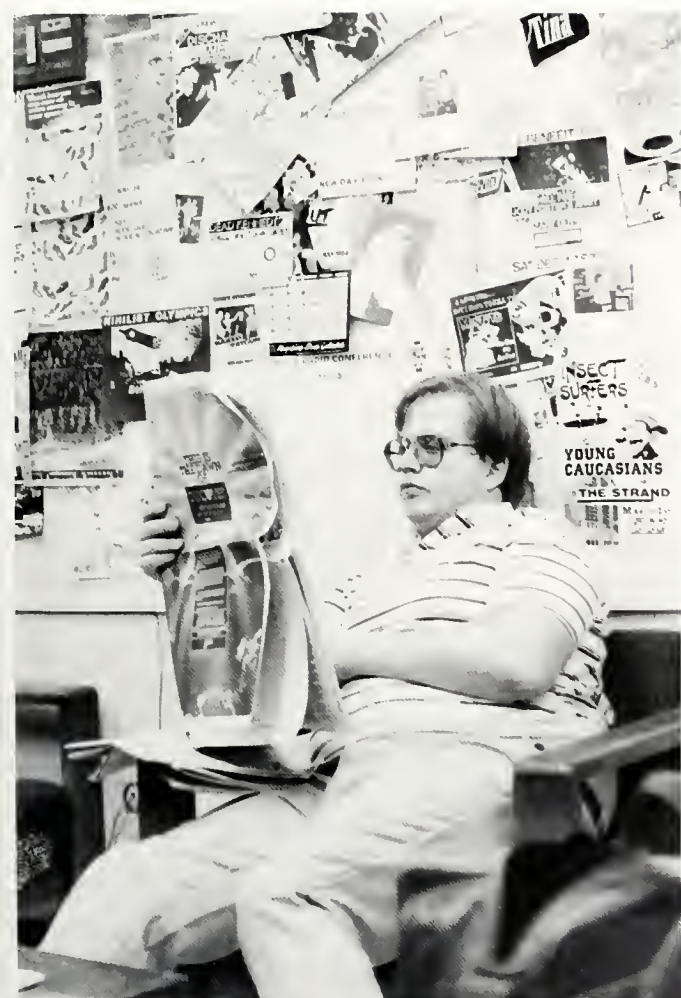

Tusitala

It was Mother Teresa who called Tusitala, the LFC literary magazine, "... a driving force behind virtually every world movement dedicated to social change."

Not only do we give our lives to Art (with a capital 'A'), first and foremost we are writers and editors dedicated to fostering the finest poetry, fiction and graphic art in the country. But, above all, we care about People (with a capital 'P'). Our goal this year is to eliminate all nuclear weapons from the earth. So far we have collected many warheads and several medium range cruise missiles from the N.A.T.O. and Warsaw Pact countries. You're welcome, world, for everything we've done for you.

WMXM

1985-86 proved to be a very successful school year for WMXM. A new broadcast exciter dramatically improved the sound of the station. Along with this improvement in sound came an improvement in what was being broadcast. WMXM featured a diverse spectrum of rock, jazz, blues and classical along with news and public affairs programs. The disc jockeys proved to be the most professional yet.

As a student organization, WMXM was one of the largest and diverse groups on campus. Other WMXM activities included the sponsorship of live band performances, record and ticket giveaways, and a DJ marathon.

Sports

Lacrosse

It is certainly an unusual Forester team that can boast victories over Big 10 powerhouses Ohio State and Michigan State in any sport. This is an accomplishment of the 1985 Lake Forest lacrosse team, but hardly the only one. Coach Wayne Braxton's squad rolled up a 7-2 overall record, and 5-1 in the Great Lakes Conference. They went 3-1 in the prestigious Suncoast Tournament in Florida, losing only in overtime to Eastern power Ithaca. The Foresters also claimed RPI, Haverford, and Wooster among their other victims.

The 1985 squad also could claim some impressive players. Midfielder Mark Talgo became the Foresters' all time point scorer, with 147 hard-earned points. He also made the first-team All Conference squad. Midfielder Eric Jensen, attackman Nick Risom, defenseman Andy Hamblett, and goalie Ralph Kunzmann all were awarded second-team All-Conference honors. The fine crop of seniors left holes for Coach Braxton to fill, but they also left a winning legacy, which never comes — or stays — easily.

This was truly a fine team, as was evidenced by vociferous and large crowds the team attracted all year. The ability to stimulate such excitement for athletics on campus is rare. The fact that the squad could do so is testimony enough that this was indeed a special team, on and off the field.

Softball

The 1985 Softball Team placed four players on the all conference squad and captured the North Division crown of the MACW for the second consecutive year. Donna Lawlor (P-3B), Lori Edenhofer (P-CF), Cindy Hahn (3B-SS), and Nancy McKee (1B) were the all conference selections, with Lawlor being a unanimous selection among all the conference coaches. Lawlor also led the team with a .450 batting average. As a team, LFC batted .307 outscoring their opponents 122-71 and compiling a 9-1 conference mark and a 12-11 record overall. MVP honors went to Donna Lawlor. Lisa Mielzynski was the MIP.

Back Row: Coach Trefny, Hensge, McKee, Pemberton, Lawlor. Middle Row: Mielzynski, Edenhofer, Bury Boe, Hahn. Front Row: Youngquist, Davis, Weisbrook, Staroszczyk, Green.

Men's Tennis

The 1985 men's tennis team had a few question marks prior to its season. The team lost three starters from the 1984 squad (including 1 & 2 singles), had a first year coach coming in (the third coach in three years), and one of its toughest schedules ever.

Ex-Forester tennis star and rookie coach, Terry Peach, put together a team that included four freshmen and only two returning lettermen. The Foresters encountered the likes of Division 3 powerhouse University of Wisconsin-Stout, Division 1 DePaul and the always tough Ripon and University of Chicago in the MCAC.

The Forester line-up placed freshmen Mike Hartler, Mark Gaffney, Parn Chantha, and George Frangos in the top four singles positions, while junior co-captains Ken Robinson and Jim Pettit occupied the fifth and sixth spots. Hartler and junior John Rohner held the top doubles spot, Chantha and Frangos combined their talents at second, and Gaffney and Robinson manned the third position.

They scored impressive victories against St. Marys, Chicago State, and North Park and dropped a 5-4 heartbreaker to conference rival Knox at the Grinnell Triangular Tournament. The Foresters finished a respectable seventh out of twelve teams at the MCAC Championships, a great improvement over the tenth place finish in 1984.

Parn Chantha, who held the highest winning percentage among the Foresters, was chosen as the team's MVP. MCAC semi-finalist at number one singles, Mike Hartler, was selected as the team's most improved player by coach Peach.

Chantha, Frangos, Hartler, Robinson, Pettit, and Coach Peach

Women's Tennis

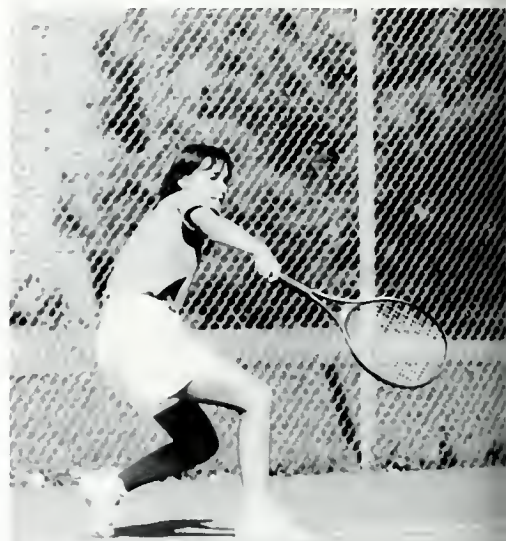

The Lake Forest women's tennis team completed a very successful 1985 season with wins over two Division 1 teams, DePaul University and the University of Illinois-Chicago Circle. The team finished their season with a record of nine wins and two losses, and a fifth place finish in the MACW Tennis Conference.

With only three players returning from the 1984 season this year's team proved to be a fighting team who gained experience and determination with each match. The new additions of Cate Brown, Chris Hilden, Molly Melone, and Ingrid Charleson helped the team tremendously, and will add strength and experience to next year's team along with Caroline Guip who holds the number one position.

The team graduates two seniors, Captain Grace Keeble and Sue Venables, whose determination and leadership will be missed by the team.

Back Row: Coach Ramsey, Melone, Greene, Hilden, Venables, Brown, Back Row: Guip, Charleson, Piep Keeble, Miller.

Soccer

The Forester soccer team finished with an 11-3 record and as Co-Champions of the MCAC North Division. Three Foresters (Steve Nicoli, Marty Wittmer and Rick Redfield) earned all-conference honors. The Foresters registered seven shutout victories, scored 41 goals and allowed only 10. The teams goals against average was an impressive .666. This team displayed a hefty amount of courage by bouncing back from two tough setbacks to register its best record in the teams history. This was a team, in the true sense of the word, with much of the character and cohesiveness coming from captain Ralph Kunzmann, its seniors and the attitude of the support players. With the loss of one, four seniors (Ralph Kunzmann, Kevin Hannigan, Marty McCann, Tom Wagner) next years team should prove to be a tough opponent.

Back Row: Coach Fritz, Currie, Coach Cook, Wrightman, Burke, Ekhardt. Third Row: Diegl, Hevrde, Noble, Scribner, Yonce, Richards, Barron, Buckley, Tasher. Second Row: Buttinger, Sullivan, Sch Redfield, Babbington, Carr, Nicholi, Markiewicz, Rynearson, Phillips. Front Row: Stewart, Cunningham, Secor, Wittmer, Hannigan, Kunzmann, Wagner, McCann, Willett, Fell, Rieck. Missing: Rusnak.

Volleyball

The 1985 Volleyball Season started out slow losing some tough close matches to NAIA and Division II schools. Two weeks into the season they started to rebound and play noticeably better. The team carried a 6 match winning streak until losing a tough match to Chicago State in the semi-finals of our invitational tournament. The team will lose only three seniors, Nancy McKee, Cindy Hahn, and Jenny Youngquist to graduation. Cindy Hahn was named to the First team All-conference. Honorable Mentions went to Nancy McKee and Chris McBride. The team finished with a 16-14 record which placed them in first place in the MACW North Division and fourth place in the overall MACW.

Back Row: McBride, Brewczynski, Hahn, Alexander, McKee, Edenhofer, Youngquist, Coach Kaufman
Front Row: Pacella, Gall, Casaletto, Staroszczyk, Ward, Ross, O'Brien.

Football

Somehow, this should have been a better football season than it turned out to be. The veteran defense, led by some of the most vicious headhunters this side of New Guinea, gave up only 14 points a game, intercepted 16 passes, sacked opposing quarterbacks 27 times, and nailed assorted running backs and wide receivers with hurricane-force hits. On offense, the Foresters boasted a big and tough offensive line, a varied and potent aerial attack, hard-running backs, and solid kicking. All this would seem to add up to more than a 5-4 record and a third place in the tied in the MCAC North, but that's what happened.

The reason for this lies not in the skill and desire of the players — which was undoubted — but rather in a very tough conference, and a few bad bounces. The Foresters lost 4 conference games by a total of 32 points. Give a few of the breaks that St. Norbert and archrival Beloit got to the Foresters, and this could have been a championship team.

There was definitely championship talent here. Just among the seniors, wide receiver Colin Lundgren finished among the leaders in receiving in NCAA III, with 947 yards and 9 TD's. Defensive end Peter Dauk had 57 tackles and 7 sacks — and one safety. Defensive back Larry Malles had 6 interceptions, and was first-team All-MCAC, as was Lundgren. Safety Norm Kaiser had 65 powerful tackles and 6 interceptions. Mike Olsen kicked 5 field goals, 13 extra points, had 46 tackles, and 2 interceptions. These seniors and their talented classmates will be difficult to replace, both in talent and leadership. The Class of 1986's accomplishments on the football field were excellent. They deserved a much better coda than the star-crossed 1985 season, but they have much to remember with pride.

Back Row: Palubin, Whalen, Dropped, Brush, Jahn, Dropped, Dauk, Griffin, Ippolito. Sixth Row: Mall, Keeshan, Cook, Jatis, Prosniowski, Olsen, Chasteen, Wittry, Leventhal, Augsberger. Fifth Row: Gaffin, Hansen, Gritt, Everly, Horne, Wells, Holly, Loll, Wagner, Hill, Sorenson. Fourth Row: McPartlan, Lundgren, Gadzinski, Barnes, VanHaaften, Hartler, Jackson, Fraider, Kaiser, Cortez. Third Row: Coach Dau, Coach Baumann, Glemaud, Egan, Weiss, Jahnke, Wynn, Bohan, Coach Giannamore, Coach Braxton. Second Row: Gappin, Conforti, Huster, Callahan, St. Pierre, Dropped, Charbonneau, Bonucci, Kahn, Martin, Flahive. Front Row: McLaughlin, Webb, Berninzoni, Radkay, Morrissey, Sargeant, Geary, Zeller.

Field Hockey

The Lady Foresters went out in style, finishing the final year of Field Hockey at Lake Forest with a 10-7-1 record. Two wins against Division I Valparaiso, winning the DePauw tournament by beating DePauw, Earlham and Kalamazoo, and a 2-0 victory over Wheaton College in the season finale were the major highlights. Jennifer Stoops led all scorers with 9 goals and 3 assists as Lake Forest outscored their opponents 42-38. Seniors Heather Paine (6 goals - 4 assists) and Kyle Henderson finished out their careers. They helped lead Lake Forest to a 39-21-1 record over the past four seasons. MVP & MIP honors went to Heather Paine and sophomore Alexis Rosenthal respectively.

Back Row: Coach Trefny, Stoops, Wheelock, Rosenthal, Cheston, Bates, Griffin, Callahan, Dineen. Middle Row: Brundage, Hearn, Nichols, Krawchuk, Anderson, Warren. Front Row: Surak, Polese, Henderson, Paine, Ashmead.

Hockey

The 1985-1986 ice-hockey season seems to take after the fable of the tortoise and the hare. The tortoise is the 0-7-1 start that seemed to presage a season of suffering on the ice for the usually successful squad. Injuries, inexperience, and a brutal schedule were the primary culprits in the early problems, and after a fourth place finish at the Dearborn Tournament, the tortoise was moving slowly towards what looked like a miserable finish.

Then, the latent hare showed itself as the Foresters ripped off a 6-1-1 record in their 8 games before the date of this report. The goaltending of Gary Willett and Ralph Kunzmann improved markedly, the offense started to produce goals in plentiful numbers, and a veteran defensive unit led by the captains John Flahive and Tim Locke tightened up and began to lower the boom on some unfortunate opponents. The Foresters dumped St. Mary's (Minn.) and UW-Stevens Point in December, forced a tie against UW-River Falls after two previous losses to them, and then avenged two early defeats against Kent State by trouncing the Golden Flashes twice in late January on the road.

It would have been easy for the team to lay down and quit after the poor start. They did not, which is a tribute both to Coach Tony Fritz's motivational skills and the perseverance and pride of this squad. Possibly not the most talented or successful team in Forester hockey history, this team might be among the guttiest of the bunch. And that, surely, is not such a bad way to remember the 1985-1986 ice hockey team.

Back Row: Coach Fritz, Wilford, Norton, Kelly, Steen, Gibbons, Richards, Currie, Coach Widmark. Middle Row: Wright, Kohl, Kuznar, Moran, Brennab, Sather, VanAcker, Elia, Spencer. Front Row: Willett, Wittmer, Przybysz, Locke, Flahive, Hanigan, Whalen, Kunzmann

Women's Basketball

The 1985-86 Women's Basketball season started very promising with 12 talented ball players. Two key players were unable to complete the season and the team was forced to make some adjustments. Fighting a definite height disadvantage they've turned to a quick aggressive defense that has come on strong forcing turnovers among the opposition. The success of this team has depended on continuation of a strong aggressive defense. Along with high percentage field goal and free throw shooting this should add up to a great season.

Back Row: Coach Kaufmann, Buckley, Callahan, Smith, O'Brien, Weitendorf, Alexander. Front Row: Hirsch, Milano, Widing, Weibrook.

Men's Basketball

The best way to describe the men's basketball season to the date of writing is "the best of times, and the worst of times."

The worst was conference record of 3-6 that did not reflect the talent of the team, rather, it reflected the difficulties of playing on the road and the referees that came with the road games.

The best was a 4-0 start, led by seniors Dave Czeszewski and Chris Stenzel, and a late come back with wins over Coe and Grinnell.

This was a good team, with plenty of team spirit and aggressiveness. Coach Charles Miller will miss this squad, but there is much to build on including this fairly successful campaign.

Back Row: Coach Miller, Ellis, Auffrey, Checkett, Hoffer, Carter, Ortiz, MacKowski, Coach Baade, Trinkaus.
Front Row: Bonero, Redig, Czeszewski, Stenzel, Rice, Romano.

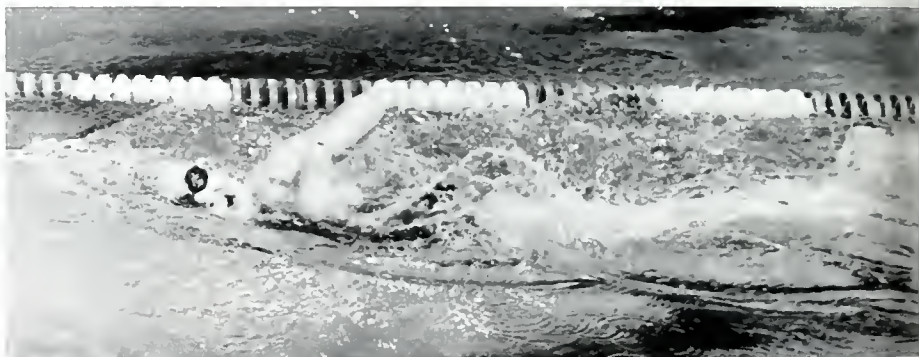

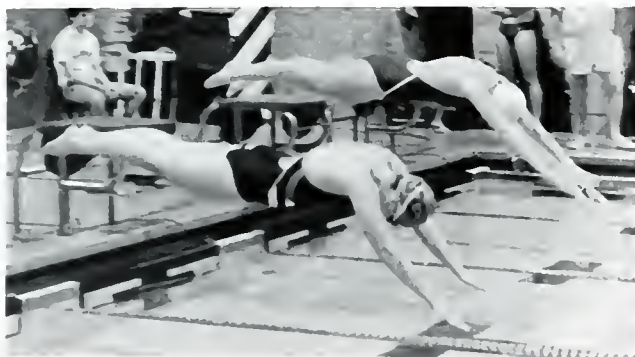

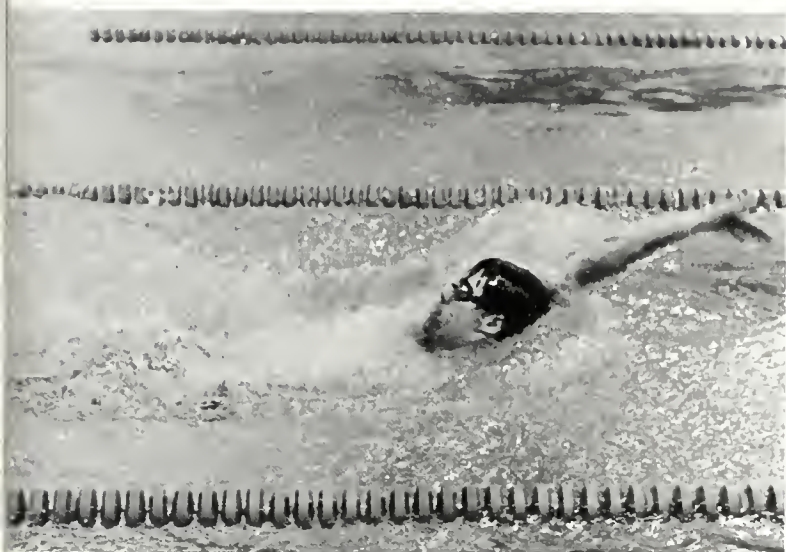

Swimming and Diving

This year's Swimming and Diving team began the season boasting of a new coach, a new schedule, and a new bottom on the pool. Returning to join first year coach, Skip Cook, were All-American Juniors Tom Smith and Denise Barrett, aimed at attending the NCAA Championships for the third year in a row. Supporting these All-Americans with their sights on reaching the NCAA's were 1985 conference champions, Nancy Dryden, Andrea Finley, women's captain Eileen Schreiber, Roger LaFaver, Wade Dauner, and men's captains Ken Engel and Gregg Meyers. The team posted a winning dual meet record, doubled the size of both swimming and diving teams, and continued to be one of the top teams in the Mid-west Conference.

Top Row: Diving Coach Stehley, Asst. Coach Luebbers, Head Coach Cook, Dauner, LaFaver, Feldman. **Third Row:** Erie, Sweetman, Wehrle, Neiman, Dare, Corr, Shilling. **Second Row:** Rieckelman, Schreiber, Barrett, Dryden, Seese, Eggers, Davis, Dunlap, Meyers. **Bottom Row:** Jensen, Greene, Finley, Wessels, Smith, Heiser, Hanlon, Engle. **Missing:** Batt, Gunning, Shaughnessy, Kremer, Syregelas, DeNoma, Baldwin, Weston.

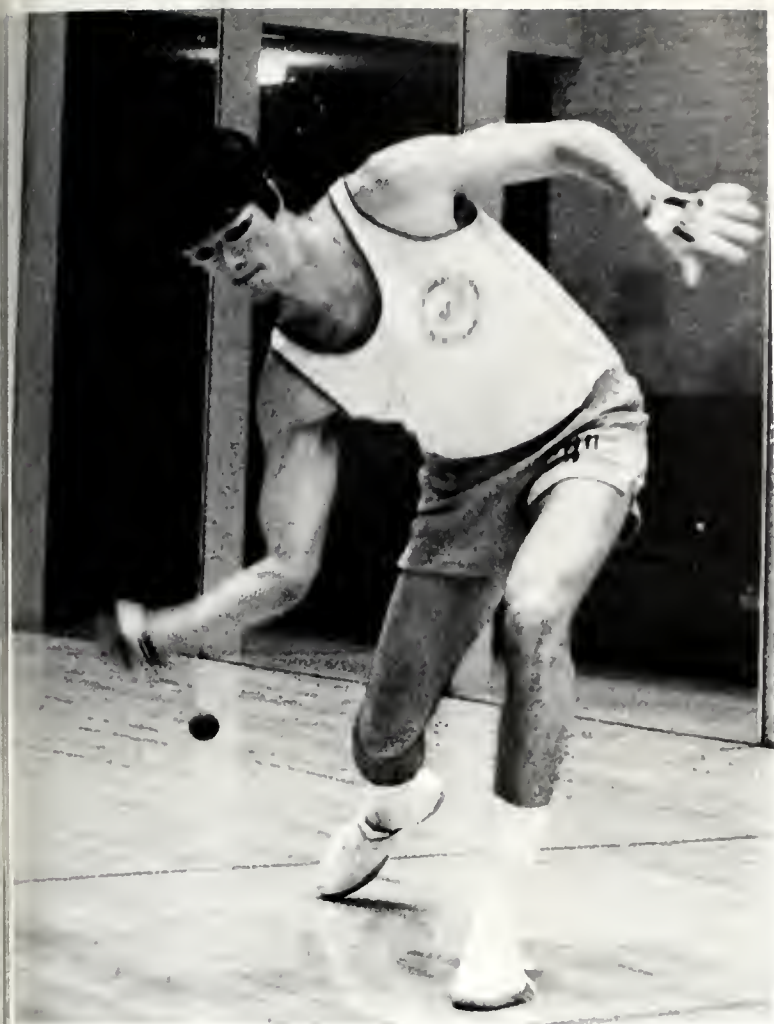

Handball

With only three returning players, Andy McLaughlin, Bill Flahive and Gina Ross, the 1985-1986 LFC handball team was definitely experiencing a rebuilding year. With the team's expectations still high, they hoped to place in the top three places at the Nationals at Cal-Berkeley in March, said Coach Dau. The team has attended meets including an Invitational in Milwaukee, and hosted the Regionals here at LFC. The team's youth will be a big advantage in the next year.

Back Row: McLaughlin, Biersborn, Flahive, Walleck. Front Row: Guip, Cummins, Ross. Missing: Piepho

 But now I am six, I'm as clever as clever.
 So I think I'll be six now for ever and ever.

If we cannot end now all our differences, at least we can make the world safe for diversity. For, in the final analysis, our most basic common link is that we all inhabit this small planet. We all breathe the same air. We all cherish our children's future. And we are all mortal.

"We've gotta get out of this place!"

"Smile,

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth:

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I —
I took the one less traveled by,
And that has made all the difference.

We shall not cease from exploration
 And the end of all our exploring
 Will be to arrive where we started
 And know the place for the first time.
 Through the unknown, remembered gate
 Where the last of earth left to discover
 Is that which was the beginning;
 At the source of the longest river
 The voice of the hidden waterfall
 And the children in the apple-tree
 Not known, because not looked for
 But heard, half-heard, in the stillness
 Between two waves of the sea.
 Quick now, hear now, always —
 A condition of complete simplicity
 (Coasting not less than everything)
 and all shall be well and
 All manner of things shall be well
 When the tongues of flame are in-folded
 Into the crowned knot of fire
 And the fire and the rose are one.

If you can keep your head when all about you
Are losing theirs and blaming it on you,
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being lied about, don't deal in lies,
Or being hated and don't give way to hating,
And yet don't look too good, not talk too wise:

If you can dream and not make dreams your master;
If you can think and not make thoughts your aim;
If you can meet with Triumph and Disaster
And treat those two imposters just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build them up with worn-out tools:

Yours is the Earth and everything that's in it,
And — which is more — you'll be a man my son.

It's hard to believe that college has come and gone! A lot was said and done in these four years and many special thanks have to be given. I would like to thank my advisor Michael Croydon who helped me through all my art adventures, Alex and Franz. But, most importantly, I would like to thank Mom and Dad — who encouraged me the whole way!

Goals are dreams and wishes
that are not easily reached.
You have to work hard to retain them,
never knowing when or where
you will reach your goal.
But keep trying!
Do not give up hope and most of all,
never stop believing in yourself.
No matter what you achieve,
as long as you want it
and it makes you happy,
you are a success.

Mom and Dad,

You have created an opportunity for me that I will always cherish. Through your sacrifice and encouragement, we together have laid the groundwork of my future. A future which holds a great deal of challenges which I am now better suited to meet. I can only hope my future actions and accomplishments instill a pride in you for me, which matches the respect and pride I hold for you.

It often, in the world's most crowded streets,
It often, in the sea of strife,
There rises an unspeakable desire.
After the knowledge of our blurred life;

Into the mystery of this heart which beats
So wild, so deep in us — to know
Whence our lives come and where they go.

Or fame or life,
 which do you hold more dear?
 Or life or wealth
 to which would you adhere?
 Keep life and lose those other things;
 Keep them and lose your life; — which brings
 Sorrow and pain more near?

Thus we may see,
 who cleaves to fame
 rejects what is more great;
 Who loves large stores
 gives up richer state.

Who is content
 Needs fear no shame.
 Who knows to stop
 incurs no blame.
 From danger free

The first condition to have a friend is to be a friend. You don't get something for nothing. Friendship means companionship and mutual respect. Love is a must for both sides, because friendship is a two-sided affair. Everyone has to be willing to give himself to the other. It is a question of loyal reciprocation, in which selfishness has no possible place.

CONGRATULATIONS BRUCE THANK YOU LAKE FOREST

... a fine education is not
necessarily the key to success
... it surely is a way of life
... so may it continue
... your good effort is its own
reward!

With love and pride and hope for your future happiness.
Mom, Dad, Amy, Dan and Teryi

We think you are cool,

I AM

I know not whence I came,
 I know not whither I go;
 But the fact stands clear that I am here
 In this world of pleasure and woe.
 And out of the mist and murk
 Another truth shines plain —
 It is my power each day and hour
 To add to its joy and pain.

Ella Wheeler Wilcox

Congratulations Shery, with Love
 Your Family

Juliane,

“In your moment of success
we wish for you
a greater mountain to climb,
a wider sea to sail,
a more profound challenge to meet
for it has been
the journey to the summit,
the reaching for distant shores,
the tenacity to answer the call
that has made you
the most special person you are
today.”

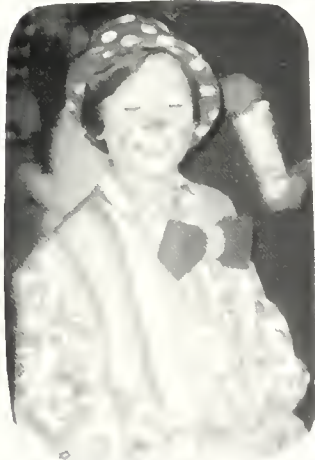

With much love and pride we
congratulate you.

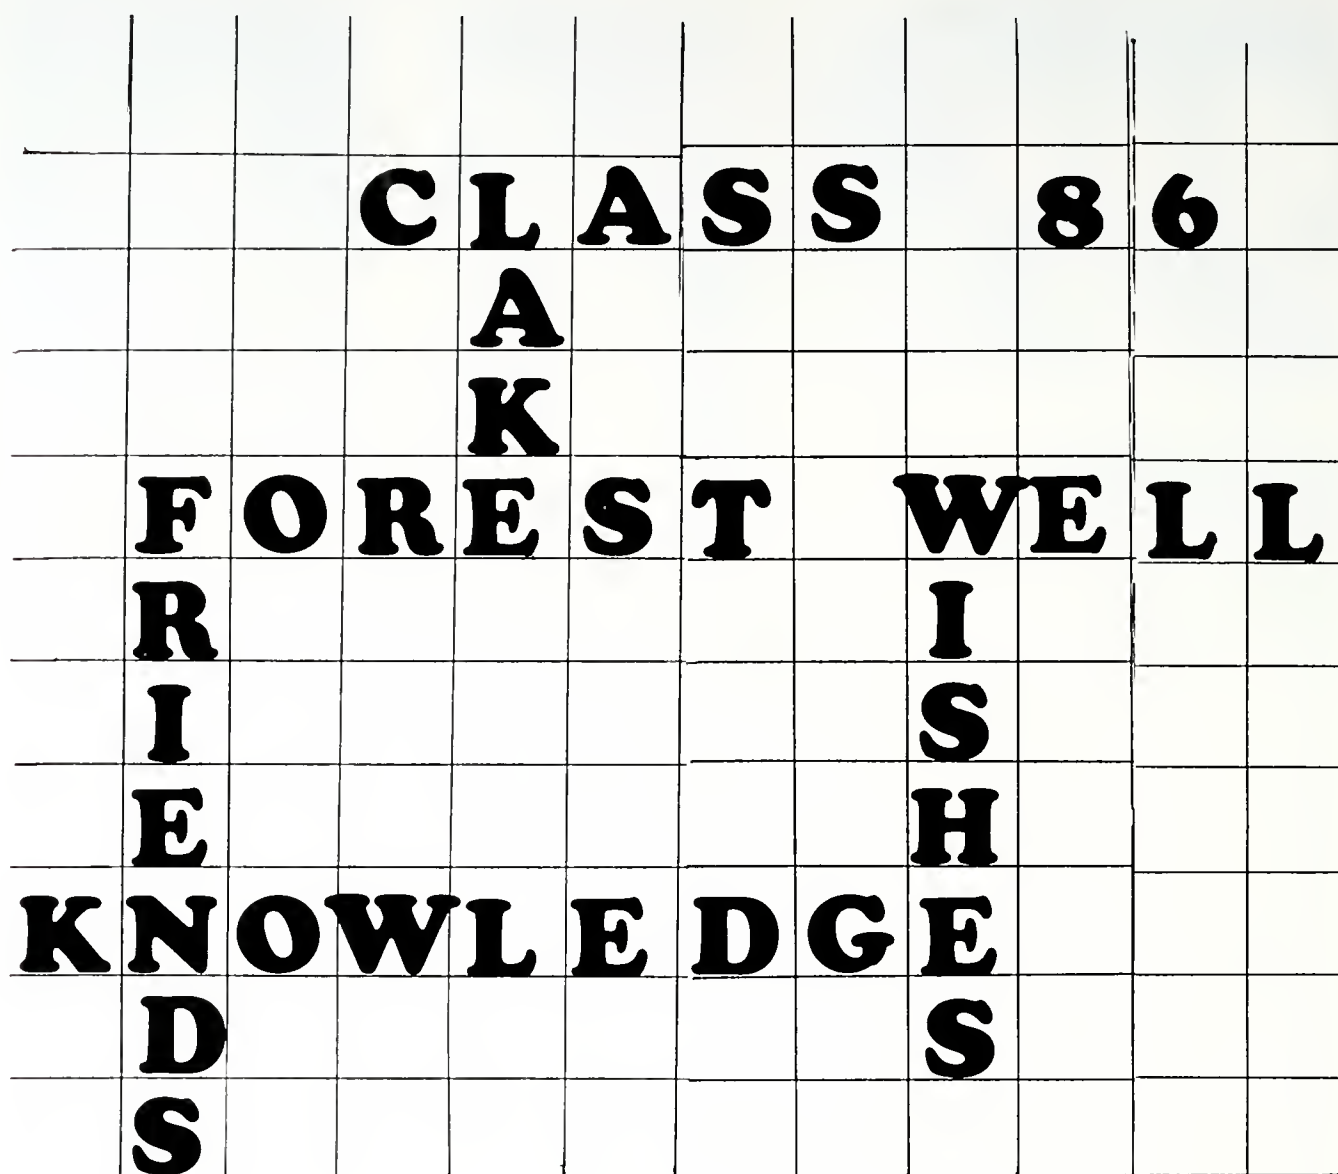

Mom, Dad and David

There was a little girl named Sheryl
 Who made us smile and gay,
 Brightened up Aunt Mary's wedding,
 Then glowed one special Sunday.
 Her hair, once long and flowing
 Clowned with the Greatest Show on Earth,
 Worked hard for her first Gold Medal,
 And sparkled when with her family.
 Soon grade school was a memory,
 The years sped quickly by,
 Awards, honors, accomplishments piled,
 Then high school years were gone.
 Lake Forest College caught her eye,
 So here is where she's grown,
 From our once bouncy little girl,
 And now she's ready to fly.

CONGRATULATIONS TO MONA JAYNE
ESKRIDGE

Do not despair, that you cannot change
the world in a day or two.
Instead, just give your very best in the
little things you do.
Then you will find in days to come, when
taken all together,
These little steps did change and make
the world a little better.

— Thomas C. Gallagher

M — Memories of Mona are so precious to us
O — Our daughter whom we love so much
N — Near when needed; but free-spirited too
A — Aware of the beauty of nature, and the
potential harmony of the universe.
E — Eloquent in word and deed
S — Such a blessing to us she has been
K — Kind to all she encounters
R — Relationships are very real and lasting to her
I — Independent and quite opinionated
D — Dedicated to what she believes
G — God is first and foremost to Mona
E — Enduring — through her faith — what life has
in store!

With deepest love and affection, Dad & Mom

As I sit down to write this message the day before our final deadline, my eyes are tired from sifting through piles of pictures, deciphering sometimes illegible copy and endlessly designing layouts. The hours upon hours I've spent in the yearbook office this year now seem worthwhile as the book nears completion and will soon be in its final form.

Though we try to represent the whole school year in this book, there is truly no way that we can record all the events, people and activities you would all like to remember. Certain events have been pictured and our own memories will help us to fill in the specific details and faces that are meaningful to us.

I'd like to thank Rob, Rick, Karen and the rest of the yearbook staff for having the photographs and copy ready when needed, and for their time spent working on the book. I hope our efforts have been successful in creating a yearbook that will be enjoyed and appreciated.
